Save The Horses

Miss the days of John Wayne, Roy Rogers, Dale Evans, Bonanza and The Big Valley? Even the movie Tombstone? All those great westerns. Enjoy the feel of the old west when days were simple. You can even play cowboy and cowgirl for the day. Horseback riding available and for those that would love to ride a horse but have never ridden a horse horseback riding lessons are available. Volunteers and visitors welcome during day light hours 7 days a week. Every Sunday 2 P.M. until 5 P.M. is Potluck Sunday. Blue Pearl Project is a non profit corporation here to save the unwanted, starving horses and share them with the community and for those that want a horse but can't afford horseboarding and feeding a horse. Therapeutic programs for Special Needs and Learning Disabled Students available. For those that want or need to do community service are welcome to help feed, water and care for the horses. Donations greatly appreciated. Horses are so happy here they never want to leave and you will feel that way too! A great way to unwind from city life. Great for preteens and teenagers to keep them active and off the streets helping the horses. Great for all ages, young and old.

We are currently using 10 bales of hay a day to feed the rescued horses. Donations are greatly appreciated. When visiting the ranch a minimum of \$5.00 per person or family donation would be greatly appreciated and the horses would appreciate it too. Oak Meadows Ranch hay cost is currently \$175.00 per day. That's \$5,250.00 a month currently. Donations of hay would be greatly appreciated.
